

Welcome to Heartis Village of Brookfield!

BE INSPIRED. EVERY DAY.

At Heartis Village of Brookfield, we present a unique perspective on senior living that doesn't just change minds. It changes lives.

It's more than our commitment to quality, excellence and resident-centered service. It's more than trusting the operation of this community to the expertise, insight and innovation of Pathway to Living®.

Quite simply, we believe that a move to a senior living community is a natural step in the journey of life – a step that should be celebrated. After all, while one may need supportive care to remain living an independent lifestyle, the desire for a full, active and meaningful life doesn't diminish.

That's the foundation on which our community is built.
At Heartis Village, we provide the best of both worlds –
exceptional care and an inspiring lifestyle.

Heartis Village is more than a warm, welcoming,
supportive place to call home.

It's a place where you will **Be Inspired. Every day.**

A KNEW DAY® MEMORY SUPPORT

A *Knew Day*® Memory Support takes person-centered care to new heights, offering a safe and secure environment while enriching the lives of residents with dementia. Innovative, forward-thinking and dynamic, our program rekindles the spark

in our residents. It begins with learning each resident's life story – and shaping everything we do around that knowledge.

Being “in the know,” we are able to adapt our program to meet individual needs and preferences.
