WELCOME TO HEARTIS VILLAGE OF BROOKFIELD!

At Heartis Village of Brookfield, we present a unique perspective of senior living that doesn't just change minds. It changes lives.

Quite simply, we believe that a move to an Assisted Living community is a natural step in the journey of life – a step that should be celebrated. After all, while one may need supportive care to remain living an independent lifestyle, the desire for a full, active and meaningful life doesn't diminish.

BE INSPIRED.
EVERY DAY.

At Heartis Village, we celebrate senior living.

That's the foundation on which our community is built. Managed by Pathway to Living®, a true innovator in senior living, Heartis Village provides the best of both worlds - exceptional care and an inspiring lifestyle.

Heartis Village is more than a warm, welcoming, supportive place to call home.

It's a place where you will
Be Inspired. Every day.

Assisted Living and Memory Support

ASSISTED LIVING

There may come a time when one can no longer live alone. Assisted Living is the logical next step, offering the support that's needed, complemented by an active, engaging lifestyle.

Heartis Village provides personalized care that meets specific needs, as well as diverse programming for a lifestyle of meaning, engagement and fulfillment.

Our Assisted Living residents enjoy spacious apartments and the reward of **VIVA!™** programming that offers endless opportunities to be involved and inspired every day.

If you're ready to take the next step in your journey, you deserve to live in a community as vibrant as you are.

Balancing Care with an Active Lifestyle

A KNEW DAY[®] MEMORY SUPPORT

A Knew Day[®] Memory Support takes person-centered care to new heights, offering a safe and secure environment while enriching the lives of residents with dementia. Innovative, forward-thinking and dynamic, our program rekindles the spark in our residents. It begins with learning each resident's life story – and shaping everything we do around that knowledge.

Being in the know, we are able to adapt our program to meet individual needs and preferences. We can establish predictable daily routines that instill comfort, create individualized programming that resonates with each person, and build connections that inspire the spirit within.

DESIGNED FOR LIVING

Heartis Village offers apartments for Assisted Living and Memory Support lifestyles. Right outside residents' doors is a world of opportunities made possible by a variety of community amenities. All-day dining is available in The Grove Dining Room and Bistro West. The Ruby Isle Theatre and spacious community rooms host **VIVA!™** programming. Residents relax at the Sundara Salon and Spa, read in The Willaura Library or enjoy any of the other community amenities.

Our residents remain active – physically, intellectually and spiritually – living a life of purpose, meaning and fulfillment. We provide our residents with every opportunity to Be Inspired. Every Day.
