WOMEN'S HEALTH INITIATIVE
in Partnership With Piedmont Hospital
Noon, Wednesday, Oct. 25

Enjoy a complimentary ladies' luncheon with a lively and informative presentation by Lillian Schapiro, M.D., FACOG, of Ideal Gynecology and Colette Shaw, M.D., section chief of Interventional Radiology at Piedmont Hospital and specialist in interventional/diagnostic radiology at Radiology Associates of Atlanta.

Colette Shaw, M.D.

What are the questions we should ask our doctors as we age? Which diagnostic tests should we have, and which can we leave out? Mothers, daughters, aunts, friends and caregivers are welcome to attend and learn how to support optimal health outcomes before and during our senior years.

Attendees will have the opportunity to schedule an office appointment, mammogram and/or bone density screening if desired.

**RSVP to Heartis Buckhead by phone
or text to Laura at 770-833-0926 or
